

God through Jesus Christ has an answer for South Africa

depends entirely on

God's grace & the indwelling of the Holy Spirit

**Social & Economic recovery plan**

we want to think of it as a

is needed because of

extreme challenging situations

and more specifically, a situation of

great tribulation

deep poverty

e.g. covid-19

e.g. contraction economy

of harness the multitude of

God's people or superlative people

result in the Christian network becoming

faith in God who raises from the dead

e.g. In 2 Cor Paul writes...

have learned

obedience

e.g. The Bible says of Jesus...

have learned

perform above their ability to

give

their response to

omnipotence of God

their response to

God's great love

e.g. John 3:16

firstly to

God

secondly to

people

has been found through research to bring about

Social upliftment

economic growth

e.g. entrepreneurial awakening
